**SYMBOL AND PRINTING SPECIFICATIONS
GROCERY INDUSTRY UNIVERSAL PRODUCT CODE SYMBOL
AS PROPOSED BY
RCA INDUSTRY SYSTEMS
(REVISE-2)**

**RCA Industry Systems
Box 338
Burlington, Ma. 01803
November 8, 1972**

This revised symbol and printing specification combines the information provided in the original RCA specifications, dated 7/24/72, plus additional supplemental information issued 9/29/72. As such, it supersedes both of those documents.

In addition, this revision contains new information on the following subjects:

- (a) Symbol Variations
- (b) Color Variations
- (c) Symbol Locations
- (d) Printing processes
- (e) Application Methods
- (f) Quality Control

Technical questions relating to these specifications should be addressed to:
